Re 2875.

One Kodkalli Ramanna petitioned this Office praying that he was desirous of depositing Rs 2,500/- for the benefit of the Sri Rama Devaru and Anjaneya Swami in Melkote in the Dodballapur Taluk and Rs 1000/- for the benefit of the Chatram Constructed by him at the place and prayed that Paper of the 4% Mysore Government Loan for the full amount might be purchased. Thereupon, the Deputy Commissioner of the Bangalore Dt was informed

that the question of 4% loan had been finally disposed of by Govt and it was not therefore possible to invest the amount in the said loan and requested to report whether the Petitioner Kodthalli Ramanna was willing to have the amount invested in the Govt Savings Bank in the name of the Amildar or the Dy Comr with a view to the interest accruing thereon being utilized for the Charities

Accordingly the Deputy Comr reports that the Petnr Ramanna is willing to deposit a sum of Rs 4000/- in the Govt Savings Bank in the name of the Dy Comr & solicits sanction for the deposit of Rs 4000/- in the Bank as a person is not allowed to deposit more than Rs 2000/- in one year as ordered in Govt Proc No K 280-04-37 Dt 1st August - 1906.

The question of permitting the man to deposit more than Rs 2000 is impossible under the present orders - may the Comptroller be asked if he would permit the deposit in the Treasury (as amount)

The Dy Comr was informed accordingly

He states that the Sub Dy Officer of Dodballapur reports that ~~as the interest realised on the amount is not paid~~ if the amount is lent to private individuals regularly by the private persons for the fulfilment of the object of the donor, the amount of Rs 4000/- may be ~~loaned~~ deposited in the Govt Savings Bank in two separate accounts, one in the name of the Dy Comr and the other in the name of the Taluk Amildar. ~~It is further stated~~ The Dy Comr states that if the Govt see no objection to the above proposals, the amount will be caused to be deposited in the Bank and the fact reported to Govt for further instructions in the matter

if the amount is lent to private individuals is allowed to be lent to private parties, in course of time difficulties may arise in the regular management of the interest and thus the object of the donor may not be fulfilled. It is therefore suggested by the Sub-Dy Officer that

Sir, With reference to your No. 5606 dated 29th May 1907, stating that Kodi-halli Ramanna may make his own arrangements for depositing the amount of Rs. 4000/- in the most profitable manner, as it is impossible to deposit more than Rs. 2000/- in the Government Savings Bank under the standing orders, I have the honor to state that-

that the Doddaballapur Sub Division Officer to whom the same was communicated reports that if the amount is allowed to be lent to private parties, in course of time difficulties may arise in the regular payment of the interest and thus the object of the donor may not be fulfilled. He therefore suggests that the said amount of Rs 4000/- may be deposited in two separate accounts, one in the name of the Deputy Commissioner and the other in the name of the Taluk Amildar. If you see no objection to the above arrangement, the amount will be caused to be deposited in the Government Savings Bank on receipt of your reply, and
